

## CITY OF WESTON RANKED AS TOP 10 BEST PLACES TO LIVE IN AMERICA 2016

The City of Weston has been awarded the prestigious recognition of being ranked **#8** on Money Magazine's 2016 list of Best Places to Live in America, highlighting the best small cities across the country with populations of 50,000-300,000.

"This recognition is truly a reflection of what we as City leaders and members of this community already knew" stated Mayor Daniel Stermer. "Weston has all of the qualities that families want, and that in turn attracts a quality business community."

The qualities rated include crime and safety, home values, strong local economy, low taxes, accessibility to health care, culture, strong public schools and sports and a strong sense of ethnic diversity.

If you take all of these points and factor in Weston's green space and extensive landscaping which has become an icon in south Florida, it is everything that makes Weston such an enviable location to live. The intangible factor is the people, the passion and the sense of community.

This recognition comes on the heels of Weston's July 2015 recognition as Family Circle's Top Ten Best Towns for Families. In 2012, Weston was ranked in Money Magazine's Top 100 list of best small cities at #63.

**Congratulations** to everyone in our community:

Residents, businesses, schools, sports leagues, arts council, volunteer organizations, volunteers, civic organizations, houses of worship, city staff and all who make Weston great!
