

Help Make 911 Better BROWARD COUNTY SEEKS FEEDBACK ON 911 SYSTEM

Broward County is seeking public feedback on your experience with calling 911 or other services in the regional communications dispatch center. User feedback is one of the most beneficial ways to enhance system performance. The County is committed to take prompt action on public input that will enhance the user experience.

You can share your experience with 911 by submitting a new online feedback form or by calling Broward County's 311 Center. Callers will be asked to submit details about the date, time and location of their 911 emergency call, a brief description of their call experience. Callers will also be asked to provide contact information such as phone number and/or email, if they wish to receive a follow up about their call.
